The image shows a technical drawing of a rectangular object. The top surface is indicated by a hatched pattern of diagonal lines sloping downwards from left to right. The main body of the object is a rectangular prism, represented by a grid of horizontal and vertical lines. The grid consists of 10 columns and 25 rows. The first four columns are wider than the remaining six columns. The drawing is oriented vertically on the page.

The image shows a technical drawing of a rectangular object. The top surface is indicated by a hatched pattern of diagonal lines. The main body of the object is a rectangular prism, divided into a grid of 4 columns and 24 rows. The grid is composed of thin black lines forming a series of small squares. The drawing is oriented vertically on the page.

The image shows a table with a header section and a grid body. The header section at the top consists of a solid horizontal line followed by a hatched area with diagonal lines sloping downwards from left to right. Below the hatched area is a grid of 4 columns and 30 rows. The first four columns are wider than the last three columns. The grid is composed of thin black lines forming a series of small rectangular cells.
